

Questionnaire

We are keen to give you the best of all possible barcamp experiences. Please help us, by providing us with information to the following questions:

- Will you be attending the barcamp? (Yes / No)
- When are you planning to arrive (time and date)?
- When are you planning to depart (time and date)?
- Will you travel by car or public transport?
- Do you plan to book a hotel room, if so for how many nights?
- Will you take part in the friday night welcome BBQ?
- Are you a vegetarian or do you have any food allergies?

- Would you like a free WiFi access on campus? If so, please state the operating system on your notebook or other mobile device.

Please note: we can provide free WiFi access for everyone, but we will need to register on the first morning and create your individual guest account, which might take a short while. There will be a limited number of PCs with online access at your disposal during the whole conference.

Participants from universities who have an eduroam account, might use it also at FHB.

- What is your special field of interest?
- What are you yourself a specialist in and would be willing to contribute by hosting a session?

Please send us an email with the answers until the end of August. Thank you and see you in September!
